# DART 16

## DART 16 & DART 16 RACE

A skeg cat that performs for the whole family.

The UK's best selling catamaran. The Dart 16 provides exciting performance for kids, youth, and adults. Responsiveness similar to that found on a racing dinghy, yet exceptionally stable and forgiving. Fun to teach on and featuring a simple robust construction.

THE DART 16 IS AVAILABLE IN TWO MODELS:

### DART 16

Straight forward rig. Great performance and stability.

### DART 16 RACE

A racing cat that's all attitude, no fear. More canvas in the main, double trapeze and gennaker for fearless sailing. Proven platform for thrill-seekers. Seriously high-tech components range from upgraded carbon tiller extension to Harken traveler mainsheet system. In high winds, you can reef the mainsail. The Jib can be furled in seconds and in waves. Either Dart 16 model handles better than many larger catamarans thanks to a unique hull shape. Skegs are incorporated into the hull design, avoiding the need for daggerboards. The rudders can easily be lifted so launching from a beach is a breeze.
