## DART 18

### High-performance racing skew cat.

Established class with a loyal following. Sailors love the smooth racing stability of two hulls. It's a strict one-design with a busy European racing circuit. If you want an exciting, fun catamaran that gives an amazing sense of speed, with highly competitive racing and the social scene to match this is the boat for you.

A wide range of ages and abilities sail Dart 18. Lots of couples and friends sail together, ages vary between twenty-somethings to much, much higher - you'll even find guys racing into their seventies. You don't need to be an athlete... if you're reasonably fit and have been tempted to read this, that's probably the right credentials to have a test flight.

Hull and sail color options— Vela grey, sails white

Construction – GRP Foam Sandwich
