LASER BAHIA

What weekends were made for!

The ultimate day sailor for leisure or racing. Easy use, but not at the expense of performance. A stable and sturdy design make this boat easy to sail, motor or row.

WHAT'S INCLUDED

Every Bahia comes as a complete boat with spinnaker as standard and a roller furler jib system.

ADDITIONAL OPTIONS

Standard or Race mainsail
Storage box – with red or ice blue lid
Trapeze Kit
Masthead float
Oars
Outboard bracket

ACCESSORIES

Launching trolley
Top cover
Road trailer and lighting board if you are planning on towing it anywhere.

CONSTRUCTION

The Bahia is a triple layer super linear foam sandwich polyethylene. The polyethylene provides a robust low maintenance boat. The foam sandwich allows you to provide a lighter hull with the same strength and rigidity.

FEATURES

Spacious clutter free cockpit with a nice sit in feel for the family and a high boom to ensure safety for all

Storage box – Ideal for a family day out – the box is large enough to take most outboard engines 4hp or under and a set of oars. Or take a BBQ and all the food and clothing you may need for the day.

SPECS - BAHIA

LENGTH FT/M	15.1	4.6
BEAM FT/M	5.1	1.8
DRAFT FT/M	3.7	1.2

OPTIMAL WEIGHT LB/KG	600/1000	150/225
TRANSPORT	TRAILER	

SPECS - BAHIA RACE

SAIL AREA FT ² /M ²	113.0	10.5
OPTIMAL WEIGHT LB/KG	600/700	150/225

Outboard Bracket – The outboard bracket is easy to fit, just slotting into place, then you can motor your boat home if the wind dies, or leave the sails at home for a fishing trip.

Collapsible Oars – The Bahia comes with rowlocks as standard and you can buy oars that will separate into 3 sections fitting nicely into the storage box.

Simple to reef – on windy days the single line reefing system makes it quick and simple to reduce the sail area.

Masthead floatation – should you capsize the Bahia, the masthead floatation will reduce risk of total inversion even when your mainsail is reefed. The Bahia also has handles built into the hull and righting lines to make righting your boat and getting everyone back on board easy.
